Workday VNDLY Named a Leader in Everest Group's Vendor Management Systems (VMS) PEAK Matrix® Assessment 2025

Leadership Position Based on Market Impact and Vision, and Capabilities

Workday VNDLY Recognized for Growing Market Impact in the Global, North America, and EMEA Assessments

PLEASANTON, Calif., June 24, 2025 / PRNewswire/ -- Workday, Inc. (NASDAQ: WDAY), the AI platform for managingpeople, money, and agents, today announced that Workday VNDLY was named a Leader and Star Performer in Everest Group's Vendor Management Systems (VMS) PEAK Matrix® Assessment 2025. This is the fifth consecutive year that Workday VNDLY has been recognized as a Leader. A complimentary copy of the report is available here.

In today's evolving work landscape, rapidly transformed by AI, organizations increasingly recognize the strategic advantage of a flexible, agile, and contingent workforce to meet ever-changing business demands. Workday VNDLY empowers organizations to strategically source, manage, and optimize external talent. When Workday VNDLY is connected with <a href="Workday Human Capital Management (HCM)">Workday Human Capital Management (HCM)</a>, companies gain a holistic view of their entire workforce and total labor costs, enabling smarter talent and spending decisions for a true total workforce management strategy.

Workday recently announced its new <u>Contingent Sourcing Agent</u>, combining the power of Workday VNDLY and HiredScore AI. This agent will enable companies to hire temporary staff even faster by leveraging the power of agentic AI to quickly find available candidates, simplify screening, and improve applicant quality.

"Our customers rely on us to manage their non-employee workforce and help them maintain business agility in a constantly changing market," said Jennifer Torney, global vice president, Tapfin. "Workday VNDLY provides a robust, global platform we need to streamline operations, optimize external talent, and ultimately deliver superior contingent workforce management services to our customers."

"Companies today are navigating a range of challenges, particularly the need to adapt to a rapidly evolving workforce landscape shaped by AI," said Mariana Santiago, general manager, Workday VNDLY. "Workday VNDLY helps organizations manage their extended workforce and complex talent networks with exceptional speed and AI-powered insights, empowering businesses to evolve their total workforce strategy."

Workday VNDLY empowers organizations to enhance their extended workforce management by delivering several key advantages:

- Gain a unified view of their total workforce by connecting Workday VNDLY with Workday HCM, leading to optimized spending, enhanced visibility, and data-driven decision-making.
- Achieve greater control over program changes and boost user adoption through self-serve configuration and an intuitive UI, simplifying daily tasks and enabling agility.
- Benefit from unparalleled innovation through frequent, high-impact releases that continuously deliver on evolving requirements.

"Workday VNDLY is strengthening its total workforce value proposition through rapid innovation and deeper connections with the wider Workday ecosystem, propelling it to Leader and Star Performer status in Everest Group's 2025 VMS PEAK Matrix®," says Krishna Charan, Vice President at Everest Group. "With its global reach, localized user experiences, and comprehensive ecosystem partnerships, Workday VNDLY effectively supports diverse, end-to-end workforce needs for organizations of all sizes around the globe."
